

NYS CRC

New York State **Caregiving & Respite** Coalition

Funded with a federal grant for Lifespan Respite awarded by the Administration for Community Living to the New York State Office for the Aging.

Lifespan Respite Act

State Coalitions are tasked with developing coordinated systems of accessible community-based respite care services for family caregivers of children and adults with special needs

NYSOFA | MCOFA – New York Connects | Lifespan of Greater Rochester

The Caregiving Crisis

Our Nations Caregivers are caring for a variety of populations which include the Aging, Developmentally Disabled, Veterans, as well as people who have terminal illnesses.

Focus on New York

> 4 million unpaid family caregivers of adults provide the majority of all long-term care services to older adults and individuals with disabilities in New York State

The moment I understood the POWER of Respite
